

The Boiler House @ The Old Brewery: E1

Main Description:

The Boiler House is a stunning, industrial, brick warehouse venue featuring superb ceiling height, large windows, skylights and the base of the Brewery's chimneystack.

The space measures 7,750 sq ft and benefits from its original quarried tiled floor and large rear courtyard area.

Possibly the most original venue in London!

Capacities:

	Capacity	Size
The Boiler House	500	7,750 sq ft
