

## Butaba: W1

### Main Description:

A stunning nightclub, restaurant and bar situated in the heart of Soho with an interior has been inspired by a pastiche of African Culture through the ages; from the Butabu style earth architecture of Western Africa and the archaeological sites of Zimbabwe through to colonial safari and shanty town chic.

This club is able to provide all inclusive packages based upon a single fee whilst maintaining a great deal of flexibility with each event.

Early evening bookings can be made at exceptionally competitive rates.
