

Gallery X wc2

Main Description:

Located in the heart of the West End, Gallery X is London's largest new contemporary art space, offering up to four floors of versatile event space.

The venue boasts exceptional natural light that spills across its clean white walls and stripped oak floors. The ever changing exhibitions in the gallery provide the perfect backdrop for your event; with one floor featuring erotic pieces from renowned 20th Century artists.

Gallery X is an ideal location for launches, presentations, workshops and photo shoots. The venue can be styled to suit any theme with many branding opportunities.
