

Roundhouse NW1

Main Description

The Roundhouse is a north London landmark venue presenting an international programme of high quality events for diverse audiences.

The Roundhouse has a rich history that evokes fond memories for many and excites the imagination and curiosity of others.

The Roundhouse is available for occasional private and corporate hire. The Roundhouse has a heritage of legendary performances and has held some of the most dazzling private events in London. It is where the Rolling Stones, Jimi Hendrix and Pink Floyd made their names and The Doors played their only UK gig.

The Roundhouse renovation means that the venue is accessible and fully equipped, while its main space remains uniquely adaptable, so that no two events are alike.
