

SuperClub: SE1

Main Description:

This venue is at the forefront of the clubbing world and has re-invented itself as a venue for corporate events. The 5 main areas that make up this venue each provide a distinct feel and combine together to offer a venue of exceptional capacity and style.

The Main Bar is scintillating, sparking, exciting; includes a 45 ft bar & aerial danceway and with its integrated AV is sure to provide for some very interesting parties and a very original conference location.

VIP lounge provides pure seduction, lose yourself in sensual reds and luxurious soft velvet. Ideal for photo shoots, press interview and receptions. This area includes, VVIP mezzanine bar...

Being small, cosy and compact, the baby box is perfect for a break from the dance floor or a perfect place for the weird and the wonderful and can also be used for smaller events. The Box is captivating, the sound system is phenomenal and the lighting is out of this world. Ideal for an award ceremony or perhaps even a gala dinner. Relax and soak up the atmosphere, you've arrived at the balcony bar. From here you could spend the whole night sipping champagne, cocktails and watching the crowd below.
