

# The White Room Mayfair, W1

## Main Description:

Along an almost secret, cobbled road in the heart of Mayfair, lies London's most secretive exhibition space. Housed in an old 19th Century Grade II listed industrial works, is the White Room. Completely renovated and refurbished, the 310 square meters of space comprises of white walls, natural daylight, parquet flooring, precision black out blinds, pre-wired lighting bars and hi-speed wireless internet. The White Room is totally flexible for any type of event: Product Launch, Fashion Catwalk Show, Press Event, Conference, Fashion Sales, Parties and more.

The White Room is one of the most versatile and amazing spaces in central London for all types of events.

## Capacities:

This venue is very well suited to product launches and press events due to its location and is as accommodating to 300 guests as it is to 30.
